DETAILED ACTION

Status of Claims

Claims 1-11 have been cancelled. Claims 12-20 have been newly added and are pending.

Claim Objections

1. **Claim 16** objected to because of the following informalities: line 4 recites "PDUs which re not". It appears this was intended to read "PDUs which are not". Appropriate correction is required.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. **Claims 12-13** are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 12 recites the limitation "each PDU" in line 7. There is insufficient antecedent basis for this limitation in the claim. It is unclear whether "each PDU" refers to a PDU in "an incoming stream of a plurality of protocol data units (PDUs) recited in line 3, or a PDU in "a set of multiple PDUs" recited in lines 6-7. References to "assigning each PDU" in line 7, "assigning to each of the PDUs" in line 8, "storing PDUs" recited in line 10, "transmitting the set of PDUs" in line 12, and "a PDU" recited in line 7, are also ambiguous as to the antecedent basis for each limitation.

Claim 13 recites the limitation "at least one PDU" in line 2. There is insufficient antecedent basis for this limitation in the claim.

Allowable Subject Matter

4. **Claims 14-20** are allowable.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
